

Petite Ambassadors Day Nursery

Future Leaders-Respect, Empathy and Excellence.

MISSION STATEMENT

Petite Ambassadors Day Nursery is committed to working with our children and families in respecting their values and the diversity of our community. The nursery aims to listen and regularly improving our environment to enable our children to develop to their full potential.

Vision:

Our vision is for all our children to flourish in our dedicated, nurturing and stimulating environment to enable them to become productive members of society.

Our mission is to enable our children to thrive in a learning and caring environment; encourage active participation of our parent-partners and to optimise the child's growth and development to reach their full potential.

We aim to achieve this by being an innovative, informed and responsible provider of early year's education and childcare; and by providing the facilities and services needed to build on the child's early experiences gained at home.

In pursuant of our mission, we will ensure the following -

For our Children

Through opportunities for them to be creative, imaginative and active lifelong learners and to explore experiment and discover new ideas, skills and concepts.

Parents & Carers

By providing peace of mind enabling them to leave their children in our care and working in close partnership with them to encourage participation in their child's learning and to ensure a consistent approach to development between home and nursery.

Staff

By maintaining a stimulating working environment that encourages new initiatives and best practice, enhances professional and personal development and in which spontaneous learning opportunities are identified and recognised as they occur.

Other stakeholders

Through our commitment to playing a full part in the local community, maintaining our links and affiliations with local groups, professional associations and working collaboratively with professionals from other disciplines to ensure the best outcomes for children and their families.
